

THE NEED

In students' own words — what is missing, and why does it matter across your themes?

SAFE BY DESIGN

How will the space stay free from harassment and judgement?
What behaviour is expected?

ACCESSIBLE TO EVERYONE

Step-free access, furniture heights, sensory needs (light, noise, signage).

INCLUSIVE OF ALL IDENTITIES

How will it welcome all genders, sexualities and backgrounds?

CO-CREATION AREAS

Movable furniture, a projects wall, facilitation materials.

REST & INFORMAL AREAS

Quiet seating and a small kitchen corner — comfort beyond the cafeteria.

SAFETY & INFO FEATURES

Visible signposting to support services; gender-neutral and multilingual signage.

CANDIDATE ROOMS

Which underused rooms could be repurposed at low cost?

BUDGET & UPKEEP

A small, sustainable budget line and a rotating student upkeep system.

MAKE IT LAST

How the space becomes a lasting legacy, revisited as needs change.
